

## EP-3400

### WOLFGUARD EP-3400

#### Reinforced Structure for Superior Durability and Comfort

Designed for industrial professionals, the EP-3400 combines robust protection with ergonomic flexibility. Its reinforced build and premium materials make it a reliable choice for demanding tasks in heavy-duty environments.

#### Product Features

- Extra-Reinforced Design  
Special reinforcements and durable stitching ensure long-lasting performance
- Hidden Stitch Technology  
Constructed with Para-Aramid threads for enhanced resistance to cuts and heat
- Extended Cuff Length  
Offers maximum protection during welding and molten metal operations
- Premium Cowhide Leather (1.2 mm – 1.4 mm)  
Odor-free and hypoallergenic leather ensures durability and comfort
- Finger Gusset System  
Special gusset design enhances finger mobility and ease of movement
- Palm Reinforcement  
Strengthened palm area provides increased abrasion resistance
- Ultra-Soft Inner Lining  
Ergonomic lining delivers comfort during extended use

#### Key Advantages

- Superior protection against cuts, abrasion, and heat
- Ergonomic and flexible design supports freedom of movement
- Reliable comfort and safety in heavy industrial environments

#### Application Areas

- Welding and metalworking operations
- Heavy industry and industrial maintenance
- Technical work requiring precision and durability

WOLFGUARD EP-3400 elevates both protection and comfort, offering a dependable solution for professionals who demand performance in every task.
