

## EP-7510

### WOLFGUARD EP-7510

Reinforced Design for Superior Protection and Comfort

Built for professionals who demand uncompromising safety and durability, the EP-7510 combines advanced materials with ergonomic engineering to deliver exceptional performance in high-risk environments.

#### Product Features

- Extra-Reinforced Design  
Enhanced stitching and strategic reinforcements ensure high durability
- Hidden Stitch Technology  
Crafted with Para-Aramid threads for long-lasting resistance to cuts and heat
- Extended Cuff Length  
Offers comprehensive protection during welding and molten metal operations
- Premium Cowhide Leather (1.2 mm – 1.4 mm)  
Odor-free and hypoallergenic, ensuring maximum durability and safety
- Palm Reinforcement  
Strengthened palm area provides added protection and abrasion resistance
- Ultra-Soft Inner Lining  
Ergonomic and comfortable for prolonged use in demanding conditions

#### Key Advantages

- Outstanding protection against cuts, abrasion, and heat
- Ergonomic design tailored for professional use
- Durable and comfortable structure ensures long-term reliability

#### Application Areas

- Welding and metalworking operations
- Heavy industry and industrial maintenance
- Technically demanding work environments requiring robust protection

WOLFGUARD EP-7510 is the ideal choice for professionals seeking a perfect balance of safety, comfort, and durability in every task.
