EP-7550

WOLFGUARD EP-7550

Assembly Glove Offering Superior Resistance to Heat and Cuts
Designed for industrial professionals, the EP-7550 combines high-performance materials and ergonomic comfort to deliver reliable protection in high-risk environments. Ideal for assembly, welding, and metalworking applications.

Product Features

- Hidden Stitch Technology
- Reinforced with Para-Aramid threads for long-lasting resistance to cuts and burns
- Premium Cowhide Leather (1.2 mm – 1.4 mm)
- Odor-free and hypoallergenic leather enhances durability and safety
- Kevlar® Lining Protection
- Integrated Kevlar lining provides extra defense against heat and sharp objects
- Ultra-Soft Inner Lining
- Ensures comfort during extended use, even in demanding conditions

Key Advantages

- Exceptional protection in harsh industrial environments
- Ergonomic and flexible design allows freedom of movement
- Heat- and cut-resistant structure ideal for professional use

Application Areas

- Assembly, welding, and metalworking operations
- Heavy industry and industrial maintenance
- Technical tasks requiring precision and safety

WOLFGUARD EP-7550 delivers maximum protection and comfort, making it a dependable choice for professionals working in challenging industrial settings.
