

CERTIFICATE

Technical type-examination
No. V 1410/23-1635/23

Date: 13 November 2023

Applicant: Rex Industrie-Produkte
Graf von Rex GmbH
Großaltdorfer Straße 59
74541 Vellberg
GERMANY

Application of: 17 April 2023

Test specimen:

Type and designation: **Para-Aramid fabric A 370 K Transfer foil**, approx. 495 g/m², fabric 100% para-aramid (recycled with extraneous fibres), yellow, one-sided aluminium pigmented film, transfer process, pre-priming polyurethane

- article 112747, width 1500 mm
- article 112748, width 1000 mm

Intended use: Fabric for protective clothing according to EN ISO 11612 without care

Results of technical type-examination:

Test Report STFI No. 2023 0811 of 10 November 2023
Certificate Report STFI No. V 1410/23-1635/23 of 13 November 2023

This Certificate applies the suitability of tested fabric with essential requirements of document Regulation (EU) 2016/425. The fabric Para-Aramid fabric A 370 K Transfer foil is suitable for protective clothing against heat and flame according to EN ISO 11612:2015, code A1, B1, C3, D3, E3, F1.

The Certificate is not a proof for conformity to Regulation and standard of protective clothing produced from this material with regard to processability and design. This is not an entitlement to use the CE- or GS-Mark. It is valid – in dependence on the validity of the test and certification foundations – by 30 November 2026. To renew the validity of the Certificate and/or an adjustment on changed basis for testing/certification is possible on application.

This document consists of Certificate and Certificate Report with 3 pages and 1 enclosure.
